- Meet with the diabetes team over a healthy breakfast or lunch
- Watch a two-minute T2G video on fine-tuning diabetes office visits

“We discovered that using language patients understand can be paired well with collaborating with patients on goals.”
“While our group talks daily, we do not always have the **time to sit down**, enjoy a meal, and **strategize**. That was both unique and fun.”
“We had small group sessions, by pods, and each group was led by a physician, with most of the physicians from the pod in attendance. This demonstrated to the staff the importance of teamwork.”
Coastal Carolina Health Care, P.A.

“These were good discussion points, which everyone could relate to and prompted actual ‘problem’ situations.”
AMGA In-Office Activity

AMGA staff viewed the T2G provider video and enjoyed a healthy lunch.
